### **ANNOUNCEMENT PURSUANT TO RULE 13.09 OF THE LISTING RULES, INSIDE INFORMATION PROVISIONS UNDER PART XIVA OF THE SECURITIES AND FUTURES ORDINANCE AND RULE 3.7 OF THE TAKEOVERS CODE**

Reference is made to the announcement of the Company dated 27 September 2013 regarding the inside information in respect of certain intermediaries approaching the Company indicating their interests in exploring the possibilities of business collaboration or a sale of equity interest in the Company by the Controlling Shareholder (the “Announcement”). Unless otherwise defined, all capitalized terms used herein shall have respective meanings ascribed to them in the Announcement.

The Board has not been informed or notified through any channel by any of the intermediaries and the Controlling Shareholder of any offer in any form for the Controlling Shareholder’s equity interest in the Company whether the said offer is verbally proposed for discussion, indicative or otherwise. The Company was not aware of any significant development in the Possibilities Explored since the approaches by the intermediaries. However, if the Possibilities Explored in respect of the Controlling Shareholder’s equity interest in the Company materialize and result in an acquisition of 30% of the voting rights of the Company or above by any party and parties acting in concert therewith (collectively the “Investors”), if any, in aggregate, the Investors will be required to make a mandatory offer for all issued shares in and all outstanding share options of the Company (other than those already owned by or agreed to be acquired by such Investors, if any) in accordance with Rule 26.1 of the Code on Takeovers and Mergers (the “Takeovers Code”).

The relevant securities of the Company under Rule 3.8 of the Takeovers Code comprised 5,026,084,500 Shares in issue and 2,000,000 outstanding share options as at the date of this announcement. Save for the aforesaid, the Company has no other relevant securities (as defined in Note 4 to Rule 22 of the Takeovers Code) as at the date hereof.

The associates (with the meaning ascribed thereto under the Takeovers Code, including persons holding 5% or more of a class of relevant securities of the Company) of the Company are hereby reminded to disclose their dealings in the relevant securities of the Company under Rule 22 of the Takeovers Code.

The full text of Note 11 to Rule 22 of the Takeovers Code is reproduced below in accordance with Rule 3.8 of the Takeovers Code:

*“Responsibilities of stockbrokers, banks and other intermediaries: stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates and other persons under Rule 22 and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant Rules. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any 7 day period is less than \$1 million.*

*This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.*

*Intermediaries are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”*

“Executive” in the above has the meaning ascribed to it under the Takeovers Code.

**There is no assurance whatsoever that the intermediaries’ interest in the Possibilities Explored in respect of the sale of the shareholding in the Company by its Controlling Shareholder may lead to any discussion or negotiation among them and, hence, any offer for the Shares in the Company. Shareholders of the Company and potential investors are advised to exercise caution when dealing in the Shares.**
